LR 116, 118-121

Take-Your-Daughter-to-Work Day. She is seated under the south balcony. Raechel, will you stand and be recognized. Welcome to the Legislature. We turn to legislative resolutions. Mr. Clerk.

CLERK: Madam President, LR 116, by Senator Stuhr, found on page 1508 of the Journal.

PRESIDENT ROBAK: Chair recognizes Senator Stuhr, to open on the resolution.

SENATOR STUHR: Thank you, Madam President and members of the body. It is an honor and a privilege to offer this resolution to recognize the members of the Bradshaw Future Business Leaders of America Chapter and their business instructor, Mr. Ken Schultz. I'm also pleased that they are able to be here this morning, under the balcony. These twelve members competed on April 3 through the 5th, at the State Conference in Omaha. They were in competition with 1,400 other students from 100 schools of all sizes across the state. The Bradshaw FBLA Chapter won 9 first place awards and we're very proud of that, and also, a total of 44 other state awards. Totally, they won more awards than any school at the conference. Eight members also won the right to compete at the National FBLA contest, this summer. Bradshaw's FBLA has competed at national for the last 12 consecutive years. Last year they won two firsts at the national competition. I'd also like to recognize Ken Schultz, their instructor. He has been the business instructor at Bradshaw for the last 31 years, and his business sense and knowledge has certainly played an important role in the team's success through the years. I'd also like to recognize the students, Bill Folkerts, Dustin Hoffman, Melody Kaliff, Caroline Watt, Katie Stoll, Dustin Thorne, Crystal Ratliff, Andrew Watt, Molly Warren (phonetic), Camelia Ramera (phonetic), Bonnie Massanera (phonetic), and Laura Peterson (phonetic). So I ask for your support in recognizing and congratulating the members of Bradshaw FBLA team and their advisor, Ken Schultz. Thank you very much.

PRESIDENT ROBAK: Thank you, Senator Stuhr. Senator Stuhr would also announce that the students that she spoke of are seated
